Inspiration

Connecting communities together
to help each other without formal
aid in times of need

Examples:

- US Government Shutdown
- Canada helping the US during 911 (Aftermath)

Target Market

- Families and Individuals in desperate need of items and services
- Kind Community Members
- Individuals with expertise willing to give their time

Solution

A platform for human connection and support when we need it most.

Provide unconditionally to those who need assistance.

Ask without hesitation when you are in need.

Positioning

- Facebook
- Craigslist

Objectives

- Connect those who are willing to provide aid with those who are in need of assistance.
- Break the social stigma.
